Hi Dan,

Rosemary Clarke, President of Wagga Netball has asked me to write to you regarding the lack of a suitable pathway from our Netball courts to McDonalds. Wagga Netball would like to approach Council to request that a pathway be constructed between the courts and McDonalds. The Netball NSW State Titles and Social Masters Titles will be conducted at the courts and this will mean a huge increase in foot traffic from the Courts to McDonalds. During our competitions there are always a number of players and parents making their way to McDonalds along a very busy road – a pathway would advantageous to the safety of both pedestrians and cars.

Kind regard
