About this Plan

The State of the City Report (formerly known as the End of Term Report) is prepared in accordance with the Local Government Act 1993.

We've been working to achieve the objectives set out in our Community Strategic Plan 2040 and this report provides a summary of the progress and the highlights that have been delivered to you, our community, over the past 3 years, from 2021/22 - 2023/24.

The Community Strategic Plan 2040 is broken up into five focus areas:

- community leadership and collaboration;
- safe and healthy community;
- growing economy;
- community place and identity; and
- the environment.

Through this report, we'll look at what you wanted us to achieve, and what we've accomplished throughout the past term of council.
