Internal / External Consultation

Internal consultation with Councils Corporate Governance Division.

**RP-2 NEW LINE MARKING AT GLENFIELD ROAD / FERNLEIGH ROAD
 ROUNABOUT - GLENFIELD PARK**

Author: Jack McIntyre

Officer Recommendation

That the Local Traffic Committee approve the line marking at the Glenfield/Fernleigh Roundabout as per Council Plan Registration C2186 Sheet Number 008 Issue E dated 2 July 2024.

Report

Council is undertaking works to reconstruct the pavement of Glenfield/Fernleigh Roundabout. These works include the adjustment of the Northwest and Southwest kerb returns, to address constraints in the roundabout geometry, limiting access for B-doubles down Fernleigh Road (Westbound).

As part of these works, it is proposed to rationalise the delineation of the roundabout. The current system consists of a dedicated right-turn lane in the Northbound and Southbound approaches to the roundabout, whereas the Eastbound and Westbound approaches consist of a dedicated left turn. It is proposed to rationalise the approaches by delineating a dedicated right-turn on all approaches. All other linemarking remains unchanged.

The existing arrangement is shown in the following aerial image.

The new arrangement proposed is as follows:
