RP-1 EDMONDSON STREET BRIDGE REPLACEMENT - TEMPORARY ROAD CLOSURE

25/395 RESOLVED:

On the Motion of Councillors L Tanner and R Foley

That Council:

- determines that the closure of Edmondson Street Bridge is to continue without interruption for the purpose of enabling the demolition and replacement of the bridge as part of the Inland Rail Albury to Illabo Project.**

- b** authorise the General Manager or their delegate, to issue approval under section 138 of the Roads Act 1993, subject to the concurrence of Transport for NSW, to give effect to the temporary closure of Edmondson Street Bridge for a period of at least 18 months, subject to appropriate conditions.
- c** requires that traffic conditions across the Wagga Wagga road network continue to be actively monitored for the duration of the bridge closure.
- d** requires Inland Rail to identify, accept and address, at its own cost, any traffic-related issues of concern arising from the closure, including (but not limited to) pedestrian safety impacts and impacts on school access and movements.
- e** determines that where there is disagreement between parties as to whether an issue constitutes an “identified and accepted issue of concern”, the matter is to be referred for determination by the following four persons:
 - i** the Minister for Transport,
 - ii** the Minister for Planning,
 - iii** the Member for Wagga Wagga, and
 - iv** the Mayor of Wagga Wagga.
- f** determines that where such a determination results in an equal split (two in favour and two opposed), the matter will be taken to be an identified and accepted issue of concern and Inland Rail will be required to address the issue to the unanimous satisfaction of Transport for NSW, the Department of Planning, Housing and Infrastructure and Council.
