President Welcome

National General Assembly
20 - 23 June 2021

Friends,

I am so excited to invite you to the 2021 National General Assembly of Local Government (NGA) at the National Convention Centre in Canberra, to be held from 20 to 23 June.

As President of Australian Local Government Association (ALGA), I am proud to be convening the 27th NGA. Frankly, it has never been held at a more important time in Australia's recent history.

COVID-19 cut a swathe through our communities in 2020, but it is with a sense of having prevailed as a nation that ALGA is planning a forward-looking 2021 NGA. And that future is about jobs, and the work local government is doing to drive a locally led recovery from COVID.

Australia's 537 councils provide direct employment for almost 200,000 people and expend about \$40 billion purchasing goods and services each year, supporting thousands of small and medium sized business enterprises.

We play a critical role in facilitating, establishing, and growing local businesses and economies, not only through their services and networks but in partnership with the states and Commonwealth in infrastructure and job-creation programs.

We cannot forget, however, that local government's ability to support communities going forward has been adversely impacted by drought, bushfires, COVID and floods. Our capacity to generate own-source income has been diminished, and financial reserves have taken a hit.

The NGA is a unique opportunity to send a powerful message to the Australian Government that financial support, particularly the Financial Assistance Grants provided by the Commonwealth, is essential for councils and their communities.

It is our chance to make the case for local government's inclusion in National Cabinet as First Ministers refocus on job creation and economic growth.

Your attendance sends a powerful message to the Australian Government that Local Government is strong, purposeful and can be trusted to partner in the delivery of government services and infrastructure on the ground. A partnership that will help to deliver national goals and local opportunities.

I am also pleased to invite you to attend the Regional Forum, which provides an opportunity for delegates with a specific interest in regional affairs to gain a deeper understanding of common issues.

It's a forum to hear from experts, to share experiences, to listen, and network.

By June, the Australian Government will have brought down the Federal Budget and in all likelihood, attention will begin to turn to the next Federal election.

The 27th session of the NGA has never been more important. This is Local Government's time. We know our communities. We know the challenges they have faced, and we know what is needed to go forward.

Join me and your fellow Mayors and Councillors at this year's NGA and help us shape the recovery.

SHANE FITZSIMMONS AFSM

Commissioner, Resilience NSW

In the terrifying 2019/20 bushfire season, Australians were reassured by the exemplary leadership and empathetic presence of then NSW Fire Commissioner Shane Fitzsimmons.

Shane began as a volunteer with NSW RFS in 1985, in the footsteps of his father George – a full-time firefighter who was tragically killed in an out-of-control hazard reduction burn in 2000.

In 1994, Shane joined the NSW RFS full-time, working in a range of leadership positions before being endorsed as the organisation's commissioner in 2007 – a role he held for 12 years.

In 2019/20, Shane guided a state-wide response including a 74,000-strong crew of mostly volunteers through one of Australia's worst fire seasons. Working long hours, he informed and calmed the public in daily press conferences, liaised with government leaders and provided comfort to colleagues and family members of firefighters who lost their lives in service to others.

In April 2020, Shane was appointed leader of the new disaster management and recovery agency, Resilience NSW.

HON SCOTT MORRISON MP

Prime Minister of Australia

Scott Morrison was sworn in as Prime Minister of Australia on 24 August 2018.

Prior to becoming Prime Minister, Scott Morrison was Federal Treasurer. His achievements as Treasurer include:

- Record jobs growth
- Delivering tax relief for families and small businesses
- Reducing the deficit
- Getting debt under control
- Ensuring multinationals pay their fair share of tax
- The Prime Minister says the achievement he is most proud of is the more than 100,000 jobs that were created for young people during 2017-18. This is the best result on record.

As Minister for Immigration and Border Protection, Scott Morrison successfully stopped the boats. This stopped the deaths at sea that had been occurring over the previous six years under Labor. Stopping the boats meant that, the Government could close 19 detention centres and remove all children from detention and from Nauru.

As Social Services Minister, Scott reduced abuse of the welfare system and put Australia's social safety net on a more sustainable footing.

Throughout his career in government and in the private sector, Scott Morrison has established a reputation as someone who listens to people and solves difficult policy problems.

Scott Morrison is from the Sutherland Shire in Sydney's south. He has represented his local community in Parliament for over 11 years.
