

12th January 2021

Peter Thompson, General Manager Wagga Wagga City Council

Cricket Wagga Wagga (CWW) have introduced a T20 competition this season commencing on Thursday 7th January 2021. It involves 16 matches over a 3 week period with a mixture of games played during the day and day/night matches at Harris Park, Geoff Lawson Oval and culminating with the Final being held on Friday 22nd January under lights at Robertson Oval. CWW board recognised an opportunity to promote a fast, friendly competition that would appeal to families, players and spectators alike during the summer holidays. CWW have partnered with Country Hope to raise much needed funds for their charity. Local businesses are sponsoring a "Super 6's" initiative, where for every 6 hit throughout the tournament, \$44.50 will be donated to Country Hope. Currently that total sits at \$1,100 after Round 1 of matches. The next 2 Friday night games at Robertson Oval, 15th and 22nd of January, volunteers will collect donations from patrons with proceeds going to Country Hope.

I am writing for Councillors to please consider either of the following options:

- Waiver fees for lights at Robertson Oval on Friday 15th and Friday 22nd of January 2021. Estimated 4.5 hours of lights required.
- Waiver fees for lights at Robertson Oval for the Grand Final on Friday 22nd of January 2021. Estimated 2.5 hours of lights required with presentations to follow Grand Final.

Cricket Wagga Wagga appreciates and thanks Wagga Wagga City Council's for your enormous contribution to cricket in Wagga Wagga through its facilities and sporting grounds presentation. Thank you for considering our proposal and best wishes for 2021.

Yours Sincerely

*Paul McKelvie*
