Good afternoon I apologise in advance for this email as I am just sourcing information. I've committed myself to a fundraising event, you may have heard of it Starlight Super Swim for sick children. My aim is to swim 30km in 30 days, I was wondering if you would be able to offer a discounted price for the admission to the pool? I'm happy to show you my registration for the event and all details involved but I am at a loss if I am fundraising but paying for the admission. I hope this makes sense? Please let me know if you require further information. Thanks in advance.
