STRATEGY AND PROJECTS**27/05/2019 (NOM-1) - NOTICE OF MOTION - FLOOD MODELLING SOFTWARE****Responsible:** Raeck, Darren**19/169 RESOLVED:**
On the Motion of Councillors V Keenan and D Hayes

That a report be presented to the next Ordinary Meeting of Council outlining the capacity and current use of Council's waterRIDE flood modelling software with an identified budget for potentially increasing Council's use of the program through the consideration of a permanent dedicated resource with high level training, software upgrades or increased licences as part of the discussion for the 2019/20 budget.

Status:**04 Mar 2021 Raeck, Darren**

An internal meeting was held to discuss the management of the WaterRIDE modelling software and the resources required to administer it on a daily basis. The advantage of having the model software in house was that we would be able to respond to requests quickly. The view was that we currently have sufficient expertise in house to manage the process. The costs associated with doing so are being obtained prior to completing the report.
