

Att/ Mr Peter Thompson

We have been using the Cross St Car park for the Country Hope Wheels Of Wagga, vehicle display. We do these events to raise much needed funds for local charity Country Hope. Providing emotional and financial support to the families of local children diagnosed with Cancer and other life threatening illnesses. It has been brought to my attention that we need to request a waiver of booking fees for our previous events and our up coming events, I thought this had already been done so please accept my apologies for not doing it in advance. We are at the carpark for approximately 3 hours and leave the carpark exactly how we found it each time. If council could please waive our fees, it would be great for our local charity. Thanks very much, Dates are as follows
