QUESTIONS WITH NOTICE

QWN-1 COUNCILLOR HAYES – PEDESTRIAN CROSSING TfNSW POLICY

Will council be able to install Pedestrian crossings?

Response: TfNSW have produced a DRAFT Policy which will guide roads authorities when planning and responding to the needs of the community in respect of pedestrian facilities.

**QWN-2 COUNCILLOR HAYES – TRAFFIC LIGHT SEQUENCING AT
FITZMAURICE AND JOHNSTON STREET**

Could the sequencing (SCAT system) be reviewed especially in peak traffic times (specifically on Johnston St travelling east) as wait times appear excessive compared to westbound traffic.

TfNSW will take on notice and respond.

The Local Traffic Committee rose at 10:27am.
