## INFRASTRUCTURE SERVICES

28/10/2019 (NOM-2) - NOTICE OF MOTION - REVIEW OF BOURKE STREET

Responsible: Ross, Peter

19/372 **RESOLVED:**  
On the Motion of Councillors D Hayes and T Koschel

**That Council receive a report that provides:**

- a an overview of all current projects being explored for Bourke Street**
- b options to improve the safety and amenity of the road for pedestrians and drivers**

**Status:**

**16 Aug 2021 Jones, Olivia**

Current projects being explored for Bourke Street include , - improvement to street lighting - Essential Energy has commenced the design process to replace suspension lights throughout Wagga Wagga with pole mounted LED lighting (including the the lighting issue along Bourke Street, Lake Albert Rd and Gurwood Street), - improvements to pedestrian facilities - Council staff have been working on Safer Roads Program grant application since early June 2021. Bourke Street pedestrian crossing at the Tolland Shopping Centre is potentially eligible for an upgrade as it has been identified as a dangerous black spot location (accident clusters). The proposed upgraded would include pedestrian operated traffic lights, discussions have taken place with TNSW in this regard with positive feedback). Additional locations will also be investigated due to the road being 4 lanes wide., Options to improve the safety and amenity of the road for pedestrians and drivers include the above. The road is part of the Transport for NSW (Regional Road) network and lighting is under the control of Essential Energy therefore both sites require significant consultation with all stakeholders prior to any works being confirmed. , Whilst there are multiple factors to take into consideration; one safety feature that has been introduced already is the installation of a 40kph speed zone (during school pick up and drop off times) for the majority of Bourke Street between Red Hill Road and Fernleigh Road.
