Attention Mr Otieno

Dear Sylvester,

**Re: Sewer Connection for Wagga Wagga Christian College
401 Koorringal Road, Wagga Wagga.**

Thank you for your letter dated 22 September 2020.

The College values the support of Council to facilitate the connection of the College to the new rising main connection adjacent to the College.

In respect to the ownership of the new connection we confirm.

"Upon installation, ownership of the PE pipe and associated work will revert to the College. Council will provide a work-as-executed drawing for the installed pipeline. All subsequent operation, maintenance, renewal, or any other works on the PE pipe will be borne by the College".

Please let me know if Council has any further requirements.

Kind regards

Mr Nicholas Bewick JP, FCG (CS, CGP), FGIA, FCPA, CA
Business Manager & Company Secretary
