Dear Mr Thompson

Low Cost Loans Initiative (LCLI) - Round 3

Thank you for your application for grant funding under round 3 of the Low-Cost Loans Initiative. I am writing to advise that unfortunately on this occasion, your application for the Dunns Road upgrade project was unsuccessful.

All applications received under the LCLI were assessed against the Program Guidelines by a panel of relevant industry experts supported by Government Agency representatives. On this occasion, the panel were not satisfied that the delivery of the proposed infrastructure will support or enable the supply of new dwellings as per the criteria stipulated in the Program Guidelines.

Details of the successful projects are available at:

<https://www.planning.nsw.gov.au/Plans-for-your-area/Infrastructure-funding/Low-Cost-Loans-Initiative>

I encourage Council to apply for any future funding rounds under the Program.

If you have any questions, Stuart Melville Program Manager Infrastructure Grants and Delivery would be happy to assist. Mr Melville can be contacted on (02) 9373 2814.

Yours sincerely
