

**THE PEOPLE OF WAGGA
HAVE DECLARED THEIR SUPPORT
FOR RAIL TRAIL DEVELOPMENT
IN THE
WAGGA WAGGA LOCAL GOVERNMENT AREA**

TOTAL 236 SIGNATURES
BETWEEN 08 JULY AND 12 JULY, 2020

Presented to:

The Mayor, City of Wagga Wagga

Sign if you want this term of Wagga Wagga City Council to provide in principle support for the development of rail trails within the Wagga Wagga Local Government area.

Following the success of the Tumbarumba to Rosewood pilot rail trail, the NSW Government is accepting funding applications for the development of new rail trails.

Our region deserves a rail trail, particularly from Wagga to Ladysmith, that will help create a healthy, sustainable and connected community, and make Wagga Wagga a more vibrant and liveable city.

There is overwhelming support for a local trail that is safe and accessible for everyone, creates jobs, stimulates our local economy, attracts visitors and encourages more people in our community to choose a healthy, active lifestyle.

The timing for this is urgent.

Our current Council term ends in August, with elections for a new Council in September. We want our current Councillors to vote in support of rail trail development, so that the process of applying for funding can begin.

It is time Wagga Wagga City Council listened to our community and actively supported the development of rail trails in our local area.

Wagga Rail Trail Inc.

COMMENTS

David GLASTONBURY	2206	Australia	2021-07-08	"A fantastic community facility that will also be a major tourist attraction to Wagga Wagga. We can achieve the huge benefits of passive recreation trails that are being achieved by other states particularly Victoria, South Australia and Tasmania"
Roberta Bailey	2650	Australia	2021-07-08	"I can see significant social benefits that the Rail Trail would bring. Just like in Tumbarumba."
Michael Dunn	2650	Australia	2021-07-08	"There are mental health, social and local economic benefits to having more Rail Trails in the greater Wagga Wagga district. Ride on!"
SUSANNE Lester	2650	Australia	2021-07-08	"Rail trails are good for Wagga's health and community and tourism"
Michael Wilson	2500	Australia	2021-07-08	"Rail trails are clearly positive for cyclists and potential cyclists for health and enjoyment but also for the local economy."
Meredith Schwilk	2800	Australia	2021-07-08	"Would be an asset to an already terrific town. Good for health and wellbeing"
Andrew Lansdown	2066	Australia	2021-07-08	"The missing link in Wagga's amazing bike infrastructure! With your rail trail you would get sooooo many of us Sydneysiders bringing our families down for cycling holidays and adventures."
Mason Crane	2000	Australia	2021-07-08	"Great for the whole region, this linked in with Tumbarumba rail trail and the Cootamundra Gundagai, Tumut and Batlow Rail trail will be a major tourist attraction for NSW and improve the liveability of all the communities along the way."
Phil Barton	2720	Australia	2021-07-08	"Rail Trail tourism is changing the world, the success in creating economic diversity, health and social outcomes has enhanced families and individuals lives, the impact on business creating job opportunities has and continues to be profound. The need for rural communities to reinvent themselves has never been greater, rail trail development is the key to creating renewal and long term sustainable economic advancement. No other sector of the economy can produce the impact a rail trail creates for the capital outlay, and it can be developed in a short time frame if all participants have the will to make it happen."
Phil Roy	2650	Australia	2021-07-08	"The value to the local community and visitors is pretty obvious. It's time to get the rail trail done."
Tim Coen	2130	Australia	2021-07-08	"Great shared pathways will benefit everyone in Wagga Wagga. Using the old rail corridor is a proven way to recycle dead infrastructure to transform it into a valued community asset."
Catherine McDonald	2650	Australia	2021-07-08	"Rail trails benefit the WHOLE community!"
Rebecca Hastings	2000	Australia	2021-07-08	"My home town could do with more cycling and exercise friendly pathways."

Heather Garrioch	3116	Australia	2021-07-09	"I enjoy riding on rail trails without vehicle traffic. Victoria has found they are a great tourist attraction."

Lisa Eady	2652	Australia	2021-07-09	"This will be such a great enhancement to the current works of the WWCC bike tracks now. The rail trail will also bring tourists to our community which will help our local businesses."
bradley rynne	4034	Australia	2021-07-09	"Its a great idea and we all need more places to ride"
Mick Bailey	1658	Australia	2021-07-09	"Keep the trail going"
John Holstein	2643	Australia	2021-07-09	"I support the concept of rail trails and have seen first-hand the benefits to Tumberuba."
Peter Thomas	2650	Australia	2021-07-09	"Wagga has embraced the cycling culture and the health and community benefits that go with it, and I believe this is a logical next step. I also believe the village of Ladysmith would benefit hugely from an influx of visitors."
David Halloran	2131	Australia	2021-07-09	"I love rail trails, they promote healthy outdoors exercise, for walkers', cyclists and also horse riders"
Ian Doughty	2722	Australia	2021-07-09	"This will be a fantastic asset for the entire region. Rail trails in other states, & now the relatively close Tumberumba to Rosewood development, clearly demonstrate this every day. Perceived & legitimate concerns by adjoining landholders can, & have been, successfully addressed or minimised - this has been shown by multiple similar developments all over Australia. Our region is not so very different from other areas in which rail trails have been successfully operating for decades. The total combination of benefits are so far reaching and broad, they simply cannot be ignored. Rail Trails - Public Land for Public Good#RtPublicLand4PublicGood"
Thomas Poberezny-Lynch	2010	Australia	2021-07-09	"It's good for the local economy and will provided a wonderful pastime for locals and tourists"

Grahame HOLSTEIN	2422	Australia	2021-07-09	"This is a good move all round. Good for children, good for adults, good for workers(employment)good for tourism, good for votes"

John Treloar	2027	Australia	2021-07-10	"I am in Wagga regularly and new rail-trails around the beautiful city would be an asset to Wagga"
Laura Cunningham	2088	Australia	2021-07-10	"Rail trails provide so much benefit on many levels. You only have to look across the border in Victoria to see how popular they are, and the economic benefits they bring to a region."
