Responsible: Hayes, Councillor Dan

22/009 RESOLVED:
On the Motion of Councillors D Hayes and T Koschel

That Council receive a Report outlining all relevant information in regard to road maintenance and repair, including but not limited to:

- a** current budget and comparison to other similar local government areas
- b** current schedule of repairs
- c** funding required and alternate options for funding
- d** funding received from other levels of government
- e** rating system for assessing Wagga Wagga roads and the process of designating priority repairs, maintenance, and upgrades
- f** overview of the main causes of potholes within our Local Government Area
- g** overview of current materials and methods used to repair potholes (including costings) and an investigation into the cost of alternative materials and methods which could be more durable, and long-lasting
- h** challenges unique to Wagga Wagga in road maintenance
- i** at the conclusion of the report, forward to State and Federal members for comment and/or support
- j** explore new machinery and products to amend and properly repair potholes
- k** investigate the use of contractors to tender for major roadworks to reduce the timeframes for upgrades and total costs

Status:

A report will return to Council when the investigation has concluded
