Dear Mr Thompson,

As a form of introduction, I'm Molly Hurley and next year I have put my hand up to be involved in Wagga Wagga Takes 2 2022 Show. The annual event which pairs local celebrities with accomplished (I will definitely be calling upon their expertise!) singers as duets, to raise money for local charities around Wagga Wagga and the Riverina.

Preparations for the 2022 Wagga Wagga Takes 2 event are well underway with the show scheduled for 21, 22 and 23 April. The 2022 show will celebrate its 14th year of running and of course raising over 3 million dollars for local charities in the process.

I will be working alongside Relay For Life Wagga, which is the largest Cancer Council event in the Riverina. Over the next coming months, we are planning to fundraise in the lead up to the show. These funds raised will stay very much local within our Riverina community and go towards essential services such as transport to treatment services which travelled more than 41,000 kms last year, providing free journeys for patients to their treatment.

One of our fundraising events that we have planned is an afternoon tea style event where we have booked the Wollundry Lagoon Precinct for the 26th March 2022. The event will commence at 2pm and conclude at 6pm where there will be nibbles, beverages, live music, lucky door prizes and other activities. Tickets sales and other donations from the event will go directly to Relay For Life.

To assist with our fundraising event, we are asking if the fees and payments associated with the afternoon including venue hire, event bond and toilet facilities be waived. We would really appreciate Wagga Wagga City Council's support with our fundraising efforts and waiving these fees would be of great help.

More than happy to discuss and answer any questions that you may have.

I appreciate your time in reading tabling this request.

Kind Regards,

Molly Hurley
